PEOPLE COUNTING

TODAY, EACH CUSTOMER COUNTS EVEN MORE!

As you know, the health standards are evolving and impose a specific number of customers in your establishments open to the public.

**You can assign someone to people counting,
OR USE OUR STAND-ALONE SOLUTIONS!**

STORES

Respect the quotas related to your sales area and optimize your monitoring of attendance.

EVENTS

Control the entrances to your event or manage the flow of visitors between the different halls of your show.

PUBLIC ESTABLISHMENTS

Learn more about the number of your visitors and benefit from a real-time attendance gauge.

FESTIVE PLACES

Stay in line with your tolerated gauge for the reception of your festive clients!

INTERIOR / EXTERIOR

Our sensors can be fit with IP65 waterproof housings to ensure outdoors counting. As indoors counting.

RESPECT QUOTAS & OPTIMIZE YOUR MANAGEMENT

Equip yourself with a real-time counting system to better manage the influx and flow of your visitors, monitor attendance or stay in compliance with regulations.

Our systems consist of sensors for each of your inputs/ outputs, a data collector and a display (tablet, screen, etc.) for the autonomous management of customer access.

This people counting device is adapted to the various restrictions during Covid-19.
